

Chamber of Commerce Work Faces Serious Curtailment

Board to Decide Monday

Important Meeting
Called To Discuss
Threat to Activities

Sharp curtailment of activities of the Palm Springs Chamber of Commerce may be the only course of action left to the board of directors of that organization when they meet Monday to hear final reports of the membership and budget campaign which has been underway since the middle of January.

The directors will meet at 4 p.m., in the Fiesta House of the Desert Inn. President Florian Boyd today appealed to every member of the board to be present to participate in the discussion that will precede action on the year's plans.

PRELIMINARY REPORTS show that the funds in sight for 1948 now are far below the amount needed to guarantee a minimum operation, with special activities such as publicity, advertising, conventions and many other parts of the program suspended. New sources of financing will be explored by the board at the meeting Monday and it is hoped that ways of supplementing the income can be found.

In the recent membership and budget campaign approximately 100 new members were added, but many of the individuals and firms enrolled in 1947 have not renewed their memberships for 1948, offsetting the new gain in revenue, the chamber of commerce officials revealed.

Additional letters are being mailed by the chamber of commerce to new prospects among commercial property owners this week.

Crash in Rain

Mrs. Harry Houghton
Injured at Beaumont

Mrs. Harry Houghton, wife of the well known local police officer, was in Community Hospital for observation today as result of an accident three miles west of Beaumont at 8:20 a.m. yesterday.

The automobile which Houghton was driving skidded on a wet greasy spot in the highway and rolled over. Mrs. Houghton's back was injured and the police officer was bruised and shaken up.

Mrs. Houghton was brought to the hospital here in the city ambulance.

This Side Of The Sun

By Phat

They had council over a barrel.
So now it's up to Charley Farrell.

A place to sit in the sun... Seems to be a bit nearer now that This Side of the Sun has overwhelming support in its campaign to bring benches back to Palm Canyon drive... Now all we need is aid in bringing back the sun... Coming to think of it, there is no better group in town to aid in the drive for benches than the Business Women's club... For when a group of women decide to swing a club and give somebody the business—look out... Mayor Hyde dropped the question of benches in Charley Farrell's lap... and if he says 'yes,' there'll be places to park the other side of the lap... Just think.

Help from eighty pretty benches.
Really should get us those benches.

BACK IN TOWN for the remainder of the season is Bert McGovern, the Fish King and maybe the King Fish, too, of the north-west... But that's not the reason I have a new fish box in which to keep my notes... The Business Women had a dinner the other night and Jennie Leonzio, who fashioned the favors for the various and sundry guests, had a neat little fish box for me... The cleverest piece of her work, however, was a bench on which sat a pretty doll—miniature, of course—reading The Sun... That I am going to keep... Speaking of that dinner, Tess Myers, in charge of the speakers, asked me to make a short talk... A miniature speech, she said... I know what a miniature speech is... It's one in which you get up, start to talk, and in a minute you're sitting on the sidewalk outside, wondering what you said.

NOTES culled from the new fish box—Did you know that his honor, the Judge, E. E. Theriau, former mayor, is an Eagle Scout? There are not many who See THIS SIDE OF SUN, Page 4.

Drive to Fill Chest Again Bogs Down

Almost Half Way
To Go With Only
Eight Days Left

Contributions in the lagging Palm Springs Community Chest fund proceeded at an even slower pace this week.

Thursday morning headquarters of the drive for funds reported that \$28,438 of the \$55,000 goal had been reached.

SINCE THE LAST REPORT Monday morning only \$1,444 had been contributed.

Lyle Newcomer, chairman of the drive and those working with him are strenuously seeking ways and means of increasing the flow of contributions before the deadline Saturday, February 14.

Newcomer pointed with considerable feeling of foreboding to the effect the short amount of money so far contributed will have on the activities of participating agencies in the Village.

CURTAILED would be the activities of character building of Village youths and the operation of the Palm Springs Community Hospital including its Free Clinic would be drastically cut. The Welfare and Friendly Aid in the Village would suffer considerably.

Tonight at 10-15 o'clock Oliver B. Jaynes, publisher of The Desert Sun and chairman in charge of publicity for the Community Chest will be interviewed by Dick Joy over radio station KCMJ. As the interview progresses, the important functions of the dependent agencies in the Village will be explained.

Phone Service

Company Officials Get
Bid To Discuss Matter

An invitation in the form of a letter has been sent to officials of the California Water and Telephone company to come to Palm Springs and discuss with executive directors of the Chamber of Commerce a solution to the multitude of complaints against telephone service in this area.

The letter which was signed by Florian Boyd, president of the Chamber was mailed January 31 to Fred MacGoughan, division manager of the public utility in Monrovia. It asked that he and other officials of his company come to Palm Springs to discuss the growing number of complaints about the service and other matters that may naturally arise from the meeting.

Council in session Wednesday officially appointed Phil Delano, co-owner of the Palm Springs Drug and Import company to represent this area on the Riverside County Defense Rental Area board. He fills the vacancy caused by the resignation of John T. Holditch.

Miss Palm Springs

Marilyn Davidson Will Represent Village
In Finals for County Fair Queen at Indio

Marilyn Jane Davidson was named Miss Palm Springs as result of a contest which came to an end Wednesday night at the Plaza Theatre and will be the Village's candidate in the choice of a queen for the annual date festival at Indio.

The contest was conducted by The Desert Sun and sponsored by 20 local businessmen.

CANDIDATES present at the finals at the Plaza theater Wednesday night were Miss Davidson, Sandra Shearer, Peggy Wallace and Audrey Bolster.

Roy Randolph, dance maestro and in charge of the pageant at the Indio fair and date festival next week, was master of ceremonies.

A packed house was present to witness the selection of Miss Palm Springs.

QUEEN OF THE FAIR will be chosen from winning contestants in each of the Riverside county communities in the finals to be held at Indio.

Miss Davidson, the Palm Springs representative in the finals as result of the local contest, is a tall, brown-eyed, brown-haired, olive-complexioned beauty who "has what it takes" to be a queen.

All contestants today expressed their appreciation to the sponsoring merchants and to all who voted for them.

Heavy Fall Reported

While rain fell in Palm Springs, a steady fall of snow fell at Idyllwild and from 15 to 18 inches at Pine Cove.

The Palms to Pines highway was being kept open but Villagers who plan to drive up the mountain were advised to use chains.

Star Performers to

Officials of the two-day world championship rodeo, slated at the Field Club here tomorrow and Sunday, cocked nervous eyes at the dripping rain clouds yesterday, but, being born optimists anyhow, went right ahead with complete plans for the colorful four-star show which opens the American rodeo circuit.

Even the U. S. Weather man at Los Angeles was not too helpful; he looked on his charts and reported that there are indications the storm will clear somewhat Friday but will increase in intensity Saturday.

"HOWEVER," he consoled, "perhaps your part of the storm will pass over Friday night and leave you clear for Saturday and Sunday."

He promised to include the See RODEO PLANS, Page 5

CHAMPIONS—Bobby Riggs, pro tennis champion, left, who meets Jack Kramer, amateur champion, at the Tennis club here March 7 in a pro net match. Also on the program are Dinny Pails, Australian champion, and Pancho Segura, colorful South American net star. The matches, three of them, will be open to the public.

Top Net Stars To Meet Here On March 7

The world's finest tennis will be played in Palm Springs March 7 at 2:30 at the Tennis Club, when professional tennis champion Bobby Riggs exchanges tennis cannon balls with Jack Kramer, amateur champion, who is out to snatch Bobby's professional crown from him.

Not only will these two great champs play singles, but later in the afternoon will team up with Pancho Segura and Dinny Pails in doubles.

PANCHO, frequently called "the most colorful player in tennis" is the champion of South America. His two handed method of holding a tennis racket began when as a boy playing at the Guayaquil Tennis club in Ecuador, which his father managed, he found a regulation tennis racket too heavy.

Dinny Pails, who practiced here earlier in the season as did Jack Kramer, is the number one title holder of Australia.

Pails and Segura will likewise appear in an exhibition singles match.

All of which adds up to three matches and four of the finest tennis players to be found on this globe.

MATCHES will be open to the public with tickets going on sale Saturday at the Tennis Club and leading hotels.

Due to the widespread interest anticipated not only here but throughout southern California in the matches, Lee Bering, president of the club, who made the arrangements for the exhibition, urges that purchases be made well in advance of date of the match.

Sinatra Puts Up Limit
Height Fence at Home

Villager Frankie Sinatra had his first request of the planning commission and the city council turned down.

What the "Voice" was seeking was permission to erect a 6-foot fence, all made of redwood, around his new home here.

The reason for the request, as everybody knows, was in order to keep the curious eyes of bobby-soxers from hanging over a four-and-one-half foot fence permitted by law.

There was no argument and Sinatra, by the time the request came to the attention of councilmen, had already erected the height-sized fence, permitted by law.

Club Women Hand Plea To Council

Six on Each Side
Of Drive, Request
Of Business Group

By Bill Rashall

Benches for Palm Canyon drive, six at least with three on each side of the street, were the subject of a fervent plea made by Mrs. Marion McCartan before city council who sat in judgment and listened during regular session Wednesday night.

Stressed in Mrs. McCartan's address was the reminder that Palm Springs is primarily a resort town. She said that the Businesswoman's club, which she represented, could cite many other reasons why benches are so necessary.

"MOST OF ALL," emphasized Mrs. McCartan, "they would benefit the city."

She continued by saying that the membership had explored every reason why there should not be benches on Palm Canyon drive and they were: "ALL GOOD!"

She told the councilmen that they would be placed on Palm Canyon drive with utmost discrimination as to location. For instance they would not be placed in the vicinity of any of the downtown bars or where loud speakers, the mechanical kind that is, are or could be located.

RIGHT OFF THE BAT, the little lady who could very well have been a successful Portia judging from the forcefulness of her plea to the "jury" of six councilmen (one being absent), said that the Business Woman's club had 80 members paid up and in good standing.

Obviously she implied that all 80 members were solidly behind the campaign to place at least six benches on Palm Canyon drive.

Racquet Club

Sold? No, With a
Capital N Is Answer

"If I sold the Racquet Club, I'd be selling myself out of a job." So declared amiable Charley Farrell, owner and operator of the establishment, in emphatically denying published reports that he has sold the Racquet Club which he pioneered.

"What would I do without the Racquet Club," queried Farrell. "Why I wouldn't sell this place although I have had plenty of offers."

Farrell said the story got started when a patron approached him one day last week and asked if the club was for sale. "All I said and jokingly too," declared Farrell, was to ask the fellow to "stick around long enough and I'd give him the place."

TRAFFIC CONGESTION on Palm Canyon drive could be greatly relieved through the establishment of two driving lanes in each direction, marked off with white lines. True, it's just a bit tight but, if drivers would stay in the lanes, it should work out all right. The lane next to the center line could be marked "through traffic," and the next lane marked "slow traffic"—while the lane next to the curb would of course be used for parking. Two additional white lines, with proper markings in a few places, would do it. Seems like it should be worth a trial.

ARE YOU REGISTERED to vote in Palm Springs? Every resident should make sure he or she is on the county rolls. Change of residence or failure to vote may have disqualified you even though you have registered. Don't wait until it is too late—make sure right now.

There are many residents who have never registered—many new ones. This is an important year for our nation—and our city as well. Now, more than ever before, we should appreciate the RIGHT to vote—and for whom we wish. It is not only a duty but a privilege. Many people who maintain homes here vote elsewhere. If they are interested in community affairs here, they may want to change their registration. Palm Springs may well mean more to them than the city in which they are now registered. The matter is worth their serious consideration. If sufficient interest is shown, we might double our registration of a year ago.

The newly organized Junior Chamber of Commerce has indicated that it will undertake a campaign to get all Villagers to register. That would certainly be a very worth-while project for this group. Let's hope they do it.

To be qualified to vote in the coming city election, you must be registered by March 4th. So don't put it off too long. REGISTER TODAY! You can do it at the City Hall.

THE BURDEN OF PROOF

On April 22, 1937, President Franklin D. Roosevelt issued an order prohibiting officers or employees of the Federal Government from engaging in commodity speculation. At that time, the New Deal was in its fourth year and for the first time in American history, our people saw their Congress give way under the pressure of bureaucrats appointed by the Chief Executive.

President Roosevelt's order read—"I believe it to be a sound policy of the Government that no officer or employee shall participate directly or indirectly in any transaction concerning the purchase or sale of stocks or bonds, or of commodities for speculative purposes, as distinguished from bona fide investment purposes. . . . If popular government is to continue to

exist it must in such matters hold its stewards to a stern and uncompromising rectitude."

NO PRESIDENT of the United States, prior to Franklin D. Roosevelt, had found it necessary to issue such an order because no President before him had made bureaucratic edicts the law of the land.

Has the Roosevelt policy on Government speculators been reversed by President Truman? Such seems to be the case. In recent weeks, Mr. Truman has made a number of speeches denouncing commodity speculators. At the same time—due to pressure brought on him by the 80th Congress, a member of the President's cabinet, Secretary of Agriculture Clinton Anderson, has found himself in the predicament of having to submit to a Senate investigating committee the names of all government officials who have been gambling on a rise and fall in prices in the days of world-wide want.

It was Harold Stassen, the former governor of Minnesota, and now an avowed candidate for the office of President, who uncovered the record so that all Americans could see it. Mr. Stassen pointed an accusing finger directly at high officials in the dead center of Mr. Truman's own circle. Those officials—seeking refuge in their bureaucratic power—are shouting at Mr. Stassen—"PROVE IT!"

CERTAINLY the burden of proof isn't Mr. Stassen's respon-

Total Seal Sale In Palm Springs To Date \$2,134.35

The Palm Springs Seal Sale totaled \$2,134.35 as of February 3 with late returns still coming in according to Mrs. B. H. Pollak, district Seal Sale chairman.

Returns in the county wide sale were running 8 per cent above last year's total as compared to an 11 per cent increase in the Palm Springs area.

Expressing appreciation to all who had assisted her, Mrs. Pollak said, "The splendid showing of public support for the tuberculosis program supported by Christmas Seals, assures an aggressive campaign to reduce the excessively high death rate in this area."

sibility even though he has stated publicly that he is well prepared to prove his accusations. Raymond Moley, who was an early supporter of President Roosevelt, has unearthed a precedent to cover the case. He has stated that where the initial evidence supports a violation of public trust by a public official, the traditional rule as to the burden of proof is reversed and the burden rests with the officer charged. Mr. Moley said, in concluding his statement . . . "Members of this administration cannot sit tight and demand that Stassen and others prove them guilty. It is up to them to prove their innocence."

What are you going to do about it, Mr. President?

Would Decontrol Rents Because of Resort Situation

Petitions seeking decontrol of rents in the Palm Springs area are located at strategic points down town today and being generously signed.

They were placed by Mrs. James E. Potter who has also written Senator William Knowland and Congressman John Phillips acquainting them with her action and reiterating the resort nature of the Village.

Mrs. Potter advocates decontrol and local handling of the problem of low-cost rentals for working people.

She plans to take her program before the chamber of commerce and other civic organizations.

Tax Notes

By EDWARD J. NELISSEN

FORM OF RETURN

There are three different forms which may be used in filing tax returns:

- 1) The Withholding Statement (Form W-2).
- 2) The Short-Form Return on Form 1040.
- 3) The Long-Form Return on Form 1040.

The withholding tax receipt (W-2) received from the employer, covering remuneration subject to withholding, may be used by the taxpayer if the gross income from such remuneration is less than \$5000.00 and income from dividends and interest does not exceed \$100.00.

THIS YEAR the Collector of Internal Revenue has stated that returns filed on the W-2 will be processed last due to shortage of help. Therefore, if you expect a refund of taxes it is not advisable to file on the W-2 unless you are willing to wait until the end of the year for your refund.

The Short-Form may be used if your income from all sources is less than \$5000.00, or \$10,000.00 for you and your wife if you are able to file separate returns. The tax on this form is computed by a table on the reverse side of the form and automatically allows approximately 10% of your gross income for deductions. Therefore if your deductions for charitable contributions, taxes, interest or medical expenses amount to more than 10% of your gross income you should not use the short-form tax return but should use the long-form.

WHEN FILING separate returns a wife and husband must BOTH use either the Long-Form or the Short-Form.

Remember, if you file on the Short-Form and you later discover that you had deductions amounting to more than 10% of your gross income you cannot file an amended return on the Long-Form. Therefore, before deciding which form to use it is well to make a careful search for deductions to which you are entitled. The election to use the Short-Form or the Long-Form may be made each year.

Valentino Confers With B.P.O.E. Leader
In Los Angeles; Local Plans Progressing

There will be an Elks lodge in the Village by next April. This was almost a certainty following a trip to Los Angeles by the "sparkplug" behind the organization of a lodge here, Charley Valentino, Elks for many years and a member of the Palm Springs police force.

Valentino's trip to Los Angeles was to confer with Mike Shannon, prominent Elks official, to obtain information and regulations to be followed in the organization of a B.P.O.E. lodge in Palm Springs.

ALREADY a Palm Springs organized in the Village and the second meeting took place in the Elks' Luncheon club has been or Palm House Monday noon. It was following this last meeting, presided over by Valentino, that it was decided he make the trip to Los Angeles.

He informed Shannon that 300 Villagers have expressed a desire to become Elks and charter members of the organization here.

VALENTINO SAID that enthusiasm for a lodge here was great and that at the second meeting of the Elks' luncheon club, 12 out of town members of that fraternal order were present.

"The first objective of the new lodge," declared Valentino, "will be an Elks' club house in Palm Springs."

Horse-ing Around

With JERRY COLONA

Ah! the desert. There is nothing like it, and a good thing it is in a class of its own. If there were something like it in the city, what excuse would I have to come down here for a visit? There is a beauty in this little valley which I have not seen in any other place and I have seen a few of the other places this round ball we live on has to offer.

The health a person derives from this air and the wonderful feeling of contentment the way of life on the desert leaves with a person are really wonderful.

When I come down here for a few days it is always more fun to get on a horse and ride out into the open than anything I can think of. That Saturday morning breakfast ride is something which has been going on for years but this season all the stables are in on the deal and so you can now ride from your favorite stable and have all your friends go with you. Now that HOPE and I are members of the city's ruling body, it is a decree that all of you get out on the Tuesday luncheon ride and the breakfast ride every Saturday morning.

We still don't know just what the punishment will be if you are found not following this new law but it will be one that Sheriff Leo Fields will have to enforce and don't forget that he will have additional powers invested in his office during the week from March 10 to 13, incl., which is Circus Week here in Palm Springs.

Tomorrow afternoon you had better attend the Rodeo. Call one of the stables and hire a horse and go out there and have some fun for a change. Riding will do you more good than anything so get out and do some riding before you go home.

This reel was the result of some three years' active photographing over the California deserts, and contained shots of nearly all of the commoner wild flowers to be found in the Monument, as well as several scenes of the Algodones Sand Dunes near Yuma, and the isolated group of Saguaro Cacti which strayed across the Colorado River into California and formed the only known site where this giant cactus is actually native to this state.

Half Million in Building

Construction of one-half million dollars in luxurious desert homes and hotels is already past the planning stage for Rancho Mirage for this season. Approximately \$250,000 is in the process of construction now, according to Harry Holt, vice president and general manager.

BUILDING PERMITS issued show that many persons from all parts of the country are planning to settle in the delightful surroundings of desert and mountain scenery.

Among them in addition to Jeannette MacDonald, famed songster who recently purchased an estate site, are: Hugh McVey; Harry J. Walker, Arthur R. Milburn, Dane Van Netta, Maurice Swetland who is building two homes; Milton C. Mauzy, W. C. McCoy, an eight unit income property; Charles R. Biffey and many others.

LESS than 15 minutes from the heart of Palm Springs, Holt pointed out that local telephone service to the Village is available. Last summer an Olympic size swimming pool was installed and business and income property are so planned they will detract from the residential part of the community. Well laid out streets and plenty of water is another feature offered prospective purchasers.

A. RONALD BUTTON, well known attorney, and Dave Culver, noted developer, were jubilant this past week with the picture of immediate development in Rancho Mirage.

"With the increased building activity," declared Holt, "some of the adjoining sites are being enhanced in value. There are no inflated prices and terms can be arranged for those who desire to purchase."

New Warning Signs to Guard School Children

Four new signs warning motorists to be careful in Palm Springs were voted official traffic signs by council in session Wednesday.

The inclusion of these four signs followed a request by Lloyd Simons, acting as committeeman for the Lions Club for installation at entrances to the city.

The signs, six by eight feet, show a school bus with children debarking and a lettered warning "Be Careful" at the top and "Enjoy Palm Springs" at the bottom of the picture. Earl Cordrey, famed magazine illustrator, donated his time and effort painting the picture.

The idea to have such signs constructed and installed originated with George Bond, in charge of school bus transportation. Chief A. G. Kettmann pointed out the reason the signs are pertinent is because many who come here are not acquainted with the law requiring automobile operators to stop their cars when children are boarding or debarking a school bus no matter in which direction they are headed.

Climax to Series of Talks on Unionizing Palm Springs Near

Negotiations between union leaders in their move to unionize all crafts in the Village and members of the Palm Springs Employers association are expected to reach a climax sometime within the next two weeks.

Following a meeting of committees from opposing sides held in the office of the Palm Springs Chamber of Commerce Wednesday, it was learned that union leaders will submit their demands in writing sometime in the next week.

Following the receipt of the written demands a meeting of all members of the Palm Springs Employers' association will be called to consider the proposals of the union organizers.

After that meeting committees representing the union and the Employers' association will meet again at which time a reply to the demands of the unions will be made.

that's why there was a feeling of sorrow and compassion for Charley Farrell, city councilman.

ONE WOMAN on the trail of something she would like to accomplish, is plenty, as any husband will tell, but with 80 of 'em on the war path—that is something that can be compared to the Battle of the Bulge.

Charley Farrell, chairman of the council's safety committee had the entire matter gingerly dropped into his lap by Mayor Clarence Hyde, who no doubt was glad to postpone the final decision, like a man about to be executed, hates to see the final breakfast brought to his cell.

NOW TAKE Phat Graettinger (who wants too), and his side of the sunny bench campaign. Throughout the past two years since they (the benches, that is) disappeared from sight on Palm Canyon drive, he has been waging a one-man battle for their return through his column "This Side of The Sun."

It is known that he plans to continue the battle but since the announcement that the Business Woman's club has swung unanimously to his side, remember 30 beauteous women—a gleam has come into his eyes, that is, a gleam of victory, nothing else.

THE COUNCIL will meet in about 30 days. Before the date rolls around there's a feeling that Councilman Farrell may decide to close the Racquet Club a little early this year. If he doesn't there's a rumor to the effect, that he is looking for six stalwart bodyguards.

Eighty women who want benches. The odds are already dwindling that they will not achieve the project.

Palm Springs Rodeo in his best wishes — explaining, however, that there is a lot of hoping on the other side of the rain picture in a parched Southland!

MEANWHILE everything from a record-breaking entry of top-flight riders to the condition at the Field Club forecast a grand success for the rodeo which is being staged as a benefit for the trail-construction funds of Los Compadres and the Horsemen's association.

Andy Jauregui, the man who pits his peppery horses, calves and bulls against the nation's most daring riders, reported the greatest concentration of riders ever lined up for a show here.

FEATURED PERFORMER of the day in the entertainment field will be Montie Montana and his educated horse on whose back the agile movie and rodeo star performs amazing feats of riding and roping.

Assisting Montie will be his equally-talented wife, Louise, and their young son, Montie Jr., who is a chip off the block in riding and roping. The Montana act never fails to be the highlight of a specialty entertainment at the rodeo. Montie has spent the past week presenting exhibitions for school students of Palm Springs and Indio, publicizing the rodeo.

AT THE MICROPHONE for the two days will be Frank Bogert, manager of Thunderbird Guest Ranch who is a Palm Springs institution in the field of emceeing.

The grand entry to the field is set for 2 p.m., both Saturday and Sunday.

Judging of contestants for the title of the 12th Annual Desert Circus queen will be one of the early features of the program Saturday afternoon. In charge of this event is Bill Grant, general chairman of the Circus.

A FEMININE TOUCH will be added to the rough and tumble atmosphere of the arena at the big two-day rodeo at the Field Club Saturday and Sunday as Mrs. Pat Reid, attractive Village girl, officiates as Ring Boss.

Mrs. Reid, wife of Harry Reid, was chosen for the title at a recent western show at Thunderbird Ranch.

With the Very Best
in Bargains**Phone 2832****Open Forum****ON FORUM SERIES**

To the Editor: I have been somewhat surprised, but still gratified, to receive so many comments and criticisms concerning the last public forum meeting. I was surprised to find so much of the criticism adverse; gratified to have evidence that the meeting was sufficiently stimulating and provocative to generate considerable public interest.

The trustees of the high school district sponsor these public forum meetings. Since some of our critics have said that the sponsors of these meetings should be more discreet in selecting speakers without such a marked bias, I should like to make it clear that the trustees have not selected the forum speakers we have used. I have done this to date and assume full responsibility for the selections. I have not yet been convinced that the selection of Col. Bodley was indiscreet or impolitic.

Because there seems to be a rather general misunderstanding of what purposes a public forum meeting is expected to serve, I should like to explain briefly why I think it was not a mistake to invite Col. Bodley to speak here. I trust that the making of such a statement will not be interpreted as evidence that I am on the defensive in this matter because I do not believe I am.

In a public forum meeting we do not try to present speakers who will be everything to everybody. We try to stimulate thinking and provoke discussion in an organized discussion period which must follow the formal presentation of the subject for the evening in accord with requirements of the California State Department of Education. We deliberately try to select speakers with different or opposing points of view. A speaker who comes to a forum audience and tells the audience just what they like to hear, and nothing else, is not necessarily a good forum speaker. Persons who attend a forum meeting expecting to find a speaker who agrees with their thinking in all respects should be disappointed occasionally for their own good.

In a democracy the public forum should be used as a clearing house for ideas. Differences of opinion should be aired. There should be a give and take in the exchange of opinions and beliefs. Tolerance should be developed, and forum attendants should learn to become critics to new ideas.

Col. Bodley lived with the Arabs and learned their point of view first-hand. He came to the local forum avowedly as one who is qualified to present the Arab point of view in the current controversy over the Palestine issue. There are 325,000,000 Moslems in the world and Col. Bodley was for a few minutes a self-appointed spokesman for this segment of the world population. Their point of view is worth hearing even if one can not agree with it.

At one of our local public forums in a previously scheduled series we had Rabbi Edgar F. Magnin speak on a subject of general interest. He presented a vigorous and well-delivered talk with a strong pragmatic slant. Some of the audience at that time who were inclined toward idealism and who held diametrically opposite views protested the opinions of Rabbi Magnin. But they did not criticize the forum sponsors for bringing Rabbi Magnin to the local lecture platform because of his "bias".

All speakers who are worth listening to have bias. In forum meetings it is expected that audience members will listen critically and form their own judgments after their own evaluations of points of view presented. The ideal arrangement for forum meetings would be to have two or more speakers with opposing points of view using the platform the same evening. But this, unfortunately, is too expensive for us. It costs as much as \$250. to present a single speaker in the local forum meetings, so we have to get our differing points of view at different meetings.

Over a period of time it will be found that an honest effort is being made to present all reasonable shades of opinion on the topics presented in these forum meetings. The sponsors hold no brief for any of the speakers selected; they are not using the forum to propagandize; they have no interest in forum objectives except those designed to promote critical analysis of current national and world problems and to stimulate free public discussion. Democracy has been defined as government by discussion, and to have discussion there must be more than one point of view. Cordiality to new ideas is a primary requisite for the appreciation and enjoyment of our public forum meetings. Persons with closed minds can hardly expect to find these meetings profitable or even agreeable.

Ernest E. Oertel.

The surface waters of the Atlantic ocean are saltier than those in corresponding regions of the Pacific. Although the reason for this is not yet known, evaporation is probably less because of lower wind velocity, and rainfall is greater than in the Atlantic.

Don't Molest Smoke Trees

Museum Director Recites State Law and Issues Warning to Desert Growth Raiders

Lloyd Mason Smith, director of the Palm Springs Desert Museum, this week quoted the state code in a warning against raids on Smoke Trees in the desert following reports from many sources of wholesale destruction of the trees.

"Repeated complaints have come to me from many sources of destruction and hauling away of Desert Smoke Trees, probably for use in florist shops in the Los Angeles area," the director said.

"THIS IS A FLAGRANT violation of the law and anyone so doing is liable to fine or imprisonment or both."

"Section 384a of the California Penal Code, amended in 1933, 1939 and 1941, sets forth as follows:

"It is unlawful to cut, mutilate, remove or destroy any native tree, shrub, fern, herb, bulb, cactus, wild flower, huckleberry or redwood greens, growing along public highways, or to collect for commercial purposes, any plants from public lands, or from private lands without the consent of the owner. It is still possible to gather flowers, not otherwise protected, from national forests or from private lands with the consent of the owner."

"FURTHER ON, the Code specifies: 'Yuccas, the Snow Plant, the Desert Holly, the Smoke Tree, and Cacti must NEVER be molested.'"

"The only way that anyone could legally gather such trees or flowers is from private land with

the express permission of the owner. It should be the duty of every desert lover to report any-

one who is seen cutting or destroying any of our Yuccas or Smoke Trees. If these steps are not taken all of our beautiful desert flora anywhere near the highway will be gone forever."

One generation passeth away, and another generation cometh but the earth abideth for ever.—Ecclesiastes 1:4.

Back on Desert For Anniversary At Hotel Quinta

Mr. and Mrs. Noel Fahnestock of Hollywood returned to Hotel La Quinta where they honeymooned a year ago, to celebrate their first wedding anniversary on Sunday.

Also returning to the hotel for a few days of sunshine before returning to St. Paul, Minn., are Mr. and Mrs. J. A. Borden, who were there during the month of December.

Others vacationing at the hotel are Mr. and Mrs. George Benioff of San Francisco, Mr. and Mrs. Lyle Fry of Beverly Hills, and Mr. and Mrs. F. Spencer Goodwin of Hartford, Conn.

by frequent visitor, Elliott Nugent . . . Gene Tierney in the Village with her ex, Oleg Cassini, designer, and brother of Igor, better known as "Cholly Knickerbocker" . . . Hearst gossip columnist . . . Otto Kruger and Eddie Quillan, and Tony Martin are other movie people seen about the town recently . . .

OTHER VISITORS OF NOTE . . . Mr. and Mrs. A. Q. Jones, assistant architect to Paul Williams, who is working on the new building in the center and who is being marked as a man with a brilliant future . . . This weekend Natalie and Brent Nelson are guests at the Lee Berings. Brent, an airline pilot, will be remembered by many Villagers for he was stationed here during the war . . . Miss Janet Oswald of Beverly Hills has been with Lori and Tom Lyon for a couple of weeks giving Lori a helping hand with the sewing she has to do to prepare for the fashion showing of her original designs to take place February 21 at the Tennis Club. We have seen some of her designs and want to congratulate Lori on their smartness and her smartness for thinking them up . . . Mr. and Mrs. Henry Schimmel of Los Angeles, creators and manufacturers of peasant dresses and sportswear (the Mrs. is widely known under the name of Madalyn Miller, designer) are relaxing at the Lenora apartments . . . Guest at the Woman's Club last Monday was Mrs. Walter J. Yeaton, prominent in Los Angeles Ebbl circles and board member of Braille Institute for the Blind and Los Angeles Branch of Pan American League, who plans to make her home in Palm Springs . . .

Mrs. Brown Returns From Idaho Sojourn

Mrs. Ona Brown, well known Palm Springs socialite, has returned to the Village after a flying trip to Idaho where she was the guest of the H. H. Barnes at their B-Bar-X ranch.

The big ranch is 60 miles from Sun Valley where she visited while in the north.

She reported many gay parties at the ranch and in Sun Valley.

Music Prevails At Delightful Club Afternoon

Tenor and Pianist
Heard in Concert
By Village Women

The program committee of the Palm Springs Woman's Club are to be congratulated on the type of entertainment being brought to the semi-monthly meetings of the club, particularly such artists as Robert Sands and Sumner Prindle. Mr. Sands, substituting for William Matchan, who was originally scheduled to appear, is a distinguished tenor, well known for his work with the New York Philharmonic and Boston Symphony.

Sumner Prindle, concert pianist, delighted his audience with his keen intelligence and deep appreciation of the ideals and aims of the great composers.

The business session was presided over by Mrs. Harold Murphy, president, who announced that the fund for the silver service so much desired by the club is now available through the series of bridge teas being held at the Tennis Club which have proven so popular. Mrs. Murphy also made the announcement that she had been requested to urge all members of the club who have not registered for the coming elections do so. While not running for any office herself and the club being entirely non-political, Mrs. Murphy stressed the importance of each member who is a qualified voter registering at this time.

New members welcomed into the club were Mrs. C. G. Waller, Mrs. F. C. Bacon and Mrs. Evelyn Pell. Club decorations in the Valentine motif were carried out by Mrs. F. A. Purcell and Mrs. F. C. Ingram, while ice cream molded into red hearts and tea were served by the tea committee composed of Mmes. Harold Hicks, Arthur Bailey, James B. Oliver, Eugene Theriault, Newton Hotchkiss, L. C. Newcomer and P. A. Staley.

Honeymooners At Del Tahquitz For Brief Visit

Honeymooning in the Village this week are Mr. and Mrs. Jay Emmett who were married on Sunday in the St. Francis Chapel of the Mission Inn, Riverside in a ceremony performed by the bride's father, Rev. John Corbin Wiley of San Diego.

The bride is the former Miss Martha Wiley, daughter of Rev. and Mrs. Wiley. The groom is the son of Mrs. Fay L. Schnapp of Great Neck, Long Island, N. Y., and the late Mr. Schnapp.

The couple are at the Hotel Del Tahquitz.

Guild to Hold Tea on Tuesday At Smoke Tree

Final Pre-Lenten
Affair Arranged at
Fred Markham Home

The Episcopal Guild of St. Paul's in the Desert will hold their annual Shrove Tuesday Tea on February 10 at the home of Mr. and Mrs. Fred Markham, Smoke Tree Ranch, from 3:00 until 5:30.

A musical program arranged by Wynne Davis Hammond will be presented during the afternoon. The committee assisting Mrs. Markham consists of the officers of the guild: Mrs. John S. Lapp, Mrs. Raymond Wilson, Mrs. Frank Camp, Mrs. H. Earl Hoover, Mrs. Edward H. Maggard.

There will be a voluntary offering to the fund for the purchase of a piano to be used in the new Sunday school building.

All friends of the church, gentlemen as well as ladies, and visitors are cordially invited to attend.

Fashion Show Luncheon on Club Program

Lori Lyon Designs
To Be Presented at
Affair February 21

In a fashion show-luncheon to be presented on February 21 at the Tennis Club, a large group of Villagers, Palm Springs and out-of-town buyers will get their first glimpse of the "Lori Lyon" fashions, designed and made by Lori (Mrs. Tom Lyon) of the Village.

The clothes are casual resort wear designed specifically for the informal life on the desert. Ranging from bathing suits to dressy cottons they all have originality obtained by clever combinations of unusual materials and by Lori's realization, through her years of living in the Village, of what makes appropriate, comfortable, and attractive resort wear.

Lori was a costume design major in college and this experience combined with her innate good taste and personal interest in designing women's clothing has brought forth the "Lori Lyon" originals upon which Bullocks has taken an exclusive.

13th Birthdays Occasion for Joint Celebration

Miss Pat Peper and Miss Sally Pringle celebrated their thirteenth birthdays together Tuesday night at the Tennis Club with Mrs. Wesley Peper. The two girls looked very sweet in matching dresses and were especially jubilant upon winning during the games.

Mrs. Gilbert LeBaron entertained Mr. and Mrs. A. C. Thompson, Mr. and Mrs. O. D. Fisher, Mrs. Charles Stuart, and Dr. and Mrs. Tom Mesday in an all Seaside party at the Club the same night.

Two lovely ladies from Long Beach joining in the activities on Tuesday were Mrs. James P. Roberts and Mrs. Mel Burns who are vacationing at Smoke Tree ranch.

Business Women Active in Aid To Teen Target

Mrs. Caroline Hicks, chairman of the Youth Center committee of the Welfare and Friendly Aid association, today issued thanks on behalf of her committee to the Palm Springs Business Women's Club for the great aid they have given the Teen-Target on Bellardo road.

Through the generosity of the Business Women's organization and their efforts, the kitchen at the Target has been fully equipped and is in service each day that the Target is open.

Mrs. Pearl Lavick of the Desert Inn Coffee Shop donated pots and pans and a stove on which to use them and Jennie Leoncio donated towels for the kitchen. The Business Women's club,

**Firecliff Lodge
Opens This Week
At Palm Desert**

Another project at Palm Desert will be completed this week-end when Firecliff Lodge will be ready for its first guests. Through the temporary transfer of workmen on the Shadow Mountain Club building, the new lodge has

been rushed to completion. Work on the club will be resumed immediately, it was pointed out by Cliff Henderson.

Firecliff Lodge has 24 rooms which can be arranged as singles, doubles or three room suites. There are eight bungalows in the group and plans call for the addition of a two-story building next season. There will also be a restaurant, on which work is now in progress.

Firecliff is outfitted with custom-built furniture designed by the noted decorator Mrs. Hazel W. Davey. It is the second apartment hotel to be completed at Palm Desert. Twin Palms having opened about two months ago.

One hundred per cent attendance marked the luncheon meeting of the Soroptimist club Tuesday at the Desert Inn. Mrs. Susie Kiefer, instructor in jewelry-making of the adult education program, was the main speaker. Mrs. Kiefer showed beautiful examples of hand-crafted jewelry and gave an amusing account of her experiences with her hobby.

Bert Briete of Woodland, and Jimmie Beronio of El Centro were guests from their own Soroptimist clubs; other guests were Mrs. George of Indio which is soon to have a Soroptimist club and Mrs. Louise Burket and Blanche Martin of Palm Springs. Next Tuesday the club will have their Valentine party; each member will bring Valentines to be air-mailed to Palm Springs Soroptimist club's sister club in St. Helens, England.

Eagle Scouts Olson and Briskin of Riverside told Palm Springs Lions of their experiences in France at the Boy Scout world jamboree there two years ago when they addressed the club members at their weekly meeting yesterday at the Desert Inn. They were brought to the Village by Bill Kenney, Boy Scout field executive for the county.

**Portlanders Will
Hear About Village
On Radio Program**

Palm Springs is going to be on the air in Portland, Ore., and in a convincing manner.

William A. Sawyer, Portland radio advertising and production man, who with Mrs. Sawyer is now a guest at Wonder Palms, will put the Village on the air.

Wednesday night he interviewed Florian Boyd, Chamber of Commerce president; Harry C. Harper, C. of C. secretary; Norman Geiger and Miss Anita Anderson of the Western Air Lines;

George Wheeler of the Villager, Priscilla Chaffey and R. F. Graettinger, news writers, and the results will be broadcast in Portland. The "boost" interviews followed a delicious dinner at which Esther Magee of Wonder Palms was hostess.

Sawyer took the broadcasts on a tape recording machine and the playback was remarkably clear.

He is at Wonder Palms on the southern end of a trip in which he is making recordings all the way from Portland to Palm Springs and back for a make-believe via Western Air lines which will be presented on his "Make Believe Ballroom" program.

Portlanders will get a cheerful earful of the news of Palm Springs over a series of broadcasts as result of Wednesday night's recordings.

Gala Gathering

Business Women's Club Stages Highly
Successful Press and Publicity Dinner

Members of the Palm Springs Business Women's club and guests assembled Monday night in the Royal Palms hotel dining room at a Press and Publicity night dinner, enjoyed an excellent menu, listened to several talks and staged what they termed one of their most successful meetings in a long time.

Mrs. Mildred Veano, president, presided at the dinner and Mrs. Olive Perdue, program chairman, introduced the speakers.

CLEVER FAVORS created by Mrs. Jennie Leonese, brought forth much praise and merriment and the tables were beautifully decorated by Marion McCartan. Lorna Powers was dinner chairman and the table settings were in charge of Betty Libott, club mascot.

Dinner hostess were Eva Menard, Jimmy Briody, Mary Drasko and Skippy Partridge. Flowers for the occasion which set off the tables in a charming way, were presented by H. J. Head of the Palm Springs Florists.

GUESTS INTRODUCED were Rolland Vaile of KCMJ; George Wheeler of The Villager; R. F. Phat Graettinger of The Desert Sun; Priscilla Chaffey of the Limelight; Mr. and Mrs. Kirk Martin; Lee Bering of the Tennis club; Katherine Finchy, president of the Soroptimists; Florence Murphy, president of the Women's club; Mrs. O. B. Jaynes, wife of the publisher of The Desert Sun; Frank Partridge, representing the Boys club; Lili Swetland of Our Magazine, Rancho Mirage; Edna Cast, Meca; Alberta Babcock, who introduced the Kirks, well known artists; Vita Butron, who urged that Palm Springs have a float in the Rose Tournament, and Jack Chambers, who assured her that the Junior Chamber of Commerce was working on the idea now; Mrs. Chambers, Mrs. Graettinger, Mrs. Wheeler and Dr. James E. Potter.

SHORT TALKS were made by the guests who expressed their appreciation at being present and of the work the club is doing. Mrs. Potter of the club spoke on the need for lifting OPA regulations in the Village as it was a strictly resort spot and intro-

duced a resolution which she had mailed to all organizations here and which she urged her listeners to sign.

Mrs. Emmajean Hume, first president of the club, told of its start.

It was a highly successful meeting and thoroughly enjoyed by all those present.

Carnival Spirit to Prevail Tomorrow

It will be one of the gayest affairs in a long time—that's the promise of the American Legion Auxiliary which tomorrow night will stage its annual carnival at the World Wars Memorial hall.

All of the features of an old-time carnival plus several entertaining and hilarious acts staged by local talent, are on the program. Dancing to the music of a good orchestra will prevail throughout the evening.

Women of the Auxiliary have been working hard for the past two weeks preparing for the event and a large and gala crowd is expected to be present for the event.

Scout Leaders

Instructions Held
For Girls' Troops

Quest for leaders for Girl Scout Troops and patrols here has been eased somewhat as result of a training course given at the little Girl Scout house on Bellard road by Mrs. William Rashall and attended by approximately 30 women.

Leaders of the Girl Scout council are hopeful that more will volunteer to take an active hand in leading the ever-growing Girl Scout council here.

Mrs. Rashall has had more than 12 years experience in conducting Scout leadership classes and it is felt that the women attending benefited greatly.

Major earthquakes occur somewhere on earth on an average of about once each week.

County Listed as Fastest Growing

Riverside county was listed as one of the ten fastest growing counties in the state by John B. Marshall, state statistician, Monday. Marshall also predicted that California, now with an estimated population of 10,050,000 will be the most populous state in the nation in 40 years.

Neighboring counties of San Bernardino and Orange are included in the 10 fastest growing counties.

The state should have 23,000,000 population by 1980, Marshall said.

The trend of population is moving southwestward at an increasing rate, he said.

Soldier Killed in Crash at Garnet

Marking the third fatality on the highway north of Palm Springs in three days, Sgt. Charles R. Roberts, 40, March Field, was killed Monday at Garnet on U. S. 99. Roberts' automobile and a truck driven by L. L. Royer, 40, Pomona, crashed head-on on the winding two-lane road. The Pomona was not seriously hurt.

Over the week-end, near the same spot, Mrs. Frances Vuenostro of Colton was killed instantly and Frank Galvin, Colton, fatally injured. Seven others were injured in the crash.

Plans to make the dangerous highway a four-lane road from the junction north of the Village to Indio are being considered at present.

Cochran Course Slates Woman's Golf Tourney

Dates for First
Invitational Play
March 10, 11, 12

Helen Dettweiler, professional at the Cochran Ranch Golf Course, Indio, Calif., today announced plans for the first annual Indio invitational golf tournament, to be held March 10, 11 and 12. All women golfers of Southern California with established handicaps of 25 or below are eligible through invitation for the event, a 54-hole medal play championship with three handicap classes.

A full round of entertainment has been scheduled for the contestants including a banquet at the Hotel Indio, on RKO preview at the Desert Theatre and a Mexican dinner at the newly opened Rancho Carrillo. Presentation of prizes and a cocktail party at Jacqueline Cochran's ranch home will wind up the tournament.

ENTRY FEE for the Invitational is \$5.00 and the course will be open to all contestants on March 9 for a practice round. Entries will determine division of handicaps into three classes with prizes awarded to the two low gross and two low net and daily low gross and daily low net winners in each class.

The Cochran ranch golf course designed by Miss Dettweiler, was opened last year to the public for the first time and underwent extensive improvements during the summer in preparation for

Bill Leonesio Named Fish-Game President

Bill Leonesio, Palm Springs fire chief, is the new president of the Palm Springs Fish and Game Conservation association, elected at the annual meeting Monday night in the Fire Hall.

Other officers to serve with Leonesio are: Warren Heath, first vice-president; Jay Morrison, second vice-president; and Fred Morrison, secretary-treasurer.

New directors are: Harold Lienau, past president; Frank St. Marie, O. S. McKinney, Ray Smith and K. W. Williams of Desert Hot Springs.

The organization also voted to recommend that a two-year closed season on quail hunting be imposed in order to increase the flocks in this area. The membership also plan to recommend the construction of "guzzler" so that game birds will find ample water on the desert and plan to trap quail in the Providence mountains for planting in this area.

This event. Enlargement of the course to 18 holes is being planned but the present 9 holes will accommodate all the first 100 entries received.

RESERVATIONS and accommodations are being handled by the tournament committee headed by Miss Dettweiler. Other committee members are Miss Beverly Hanson, Mrs. Albert Horwich, Mrs. Bong Ng, Mrs. Boynton Jones, Mrs. Rudy Heilmann, Mrs. Larry Claus, Mrs. Robert Sikes, Mrs. Don Green and Mrs. Tom Mullan, all of Indio.

Merchants and Clippers Meet At Field Club

Palm Springs Merchants return to the home lot Sunday when they take on the Brawley Clippers at the Field club in a Valley League game starting at 1:30 p.m.

The Merchants got away to a good start in the second half of the loop season, twice dethroning the current leaders and then took to the road, going to Brawley twice, once to meet the Brawley Eastside team and last Sunday to take on the Brawley Shippers. They ran into bad luck both times but are planning to return to the win side of the ledger against their third Brawley opponent this Sunday.

Manager Bob Martin urges the fans to turn out for the game and promises them a good example of the national game.

Indian Quint and Beaumont Tangle In Week's Features

Because of the operetta "Rio Rico", being presented tonight at the Plaza theater by a high school cast, the scheduled basketball game between the Palm Springs Indians and Beaumont was shoved ahead for one night.

The transfer was also made because there were two games slated for the Beaumont floor tonight. Banning high is scheduled to play host tonight to Sherman Indians and Palm Springs was slated to be host to Beaumont. But neither Palm Springs high or Banning have a gymnasium so both games were transferred to the Beaumont floor.

Beaumont is currently leading the Riverside County loop with four games won out of four played.

The game was not at an end when this section went to press and the results will be listed Tuesday.

B teams of both schools met in a preliminary game.

It's just the little homely things. The unobtrusive friendly things. The "won't-you-let-me-help-you" things That make our pathway light.

—Grace Haines.

Trailer Parks Under Scrutiny

Eleven trailer parks in Palm Springs which were visited by Max Heinzman, inspector for the State Division of Housing were warned that permits for the operation of these trailer parks would have to be obtained immediately under the amended state law regulating the management of such establishments.

Three of the trailer parks visited by Heinzman and Dr. O. B. McRory, deputy health officer, were on the Indian Reservation.

Flying fish do not fly; they glide.

Rancho Mirage, located a few miles southeast from Palm Springs, is a community where neighborliness and love of the desert is a keynote. Included in this week's Palm Springs Personalities are some well known Rancho Mirage Personalities.

This frequently pictured family (upper left) are Mr. and Mrs. Frank Morgan and their son, George Morgan. The family enjoy the free and easy living of the desert and have a picturesque rambling adobe ranch house in Rancho Mirage. They have retained the yard in its natural state and the appearance of the whole home is that of a touch of old Mexico. The Morgans are participants in many Palm Springs affairs and can be counted upon to be in the Desert Circus parade each year . . . something they enjoy just as much as the crowds enjoy watching movie actor Frank Morgan play his cowboy role.

THE WELL KNOWN PAINTER, Carl Hoerman, and Mrs. Hoerman, an artist as well (upper center) contribute greatly to the artistic group at Rancho Mirage. Adjacent to their home, La Casa del Desierto, is their Art Gallery which houses many of their fine paintings. Mr. and Mrs. Hoerman are always happy to have neighbors, friends or strangers drop in to discuss art and to roam through the gallery. Mr. Hoerman presented a one man show at the Desert Inn which proved of great interest to the many who have visited. Outstanding are his Mexican

scenes and his depiction of the dunes of Michigan. He has received many awards for his work and his paintings hang in museums, galleries and private homes from coast to coast. Mrs. Hoerman is a painter of still life and florals. The couple have a studio and gallery in Michigan also and enjoy the complete contrast in the way of living and the art subject matter that they find in the two places.

PIONEER RESIDENTS of Rancho Mirage are the Edmund J. Ewatts, their son, Edmund J., and daughter Jane, (upper right) who have lived on that part of the desert for ten years. A horse riding family, they have their own stables and horses and enjoy nothing better than a get-together steak fry up Magnesia Canyon with other residents of the community. Jane, however, will probably have to change her favorite sport from riding to baseball, for with her recent marriage to Harold J. Voelker she will be living in Billings, Montana, where Harry is head of the Billings Baseball club. (Jane admitted that she knows much more about bridges than balls and bats but hopes to learn.) The Ewatts are members of the Tennis Club.

FAIRLY NEW RESIDENTS in Rancho Mirage are Mr. and Mrs. Harry A. Walker and their children, Malcolm and George-Ann (left center) who have lived in the community one year. The Walkers each have a special hobby of their own, but all the family enjoys swimming in the Rancho Mi-

rage pool. Mr. Walker is a home movie enthusiast and his two favorite subjects are quite naturally, his family and the desert. Horseback riding counts high with Malcolm and George-Ann and they can often be found at the Thunderbird Stables; in fact, Jerry, the proprietor of the stables, has confidentially told Malcolm that he considers him one of his best wranglers. Mrs. Walker has a special interest also . . . her hobby is her family.

FOR THREE YEARS Mr. and Mrs. A. Ronald Button, of Los Angeles, their son, Ronald Button I and daughter, Mary Barbara (lower left) have been Rancho Mirage residents as weekenders and come down as often as possible to their lovely modern style ranch house home. All the members of the family, enjoy swimming but their very favorite sport is jeep riding . . . all other pastimes have become secondary since they purchased their easily recognizable yellow vehicle. In Palm Springs the Buttons are members of the Racquet Club and the Tennis Club.

FORMERLY of Laguna Beach, Mr. and Mrs. A. P. Burgard (lower center) have lived in Rancho Mirage three years. Although the Burgards like the ocean, they found that they preferred the desert and Mrs. Burgard found the scenery very inspirational for her hobby which is painting; Mr. Burgard likes to garden. Not shown with the couple, but worthy of mention, are their two very regal kittens . . . if in name only . . . Princess

—Bernard-Terry Photos.

Elizabeth and Phillip Mountbatten. The Burgards find most of their pleasure comes from living in the restful desert surroundings and the enjoyment of their friends.

INTERESTING and accomplished Rancho Mirage residents are the W. J. Swetlands (lower right), both artists in several fields. Mr. Swetland, who was a trade papers publisher in New York for many years, is also a writer and photographer. He recently completed and had published "These Men" which is a thorough history of the 27th Division (of which he was a member) of World War I. About twenty-five years ago Mr. Swetland made journeys to the desert in order to take documentary motion pictures and to write about the desert. This area at that time was sparsely inhabited and in order to cover rough terrain and to carry enough provisions, Mr. Swetland invented his Desert Wagon, the forerunner of today's station wagon. He became enamored of the desert and one of his favorite camping locations was a certain spot which is now the site of the couple's home. Mrs. Swetland, who was a concert singer for many years and who sang with the Chicago Opera Company (the lead in Faust, etc.) is also a writer. She is the editor . . . "ye editress" as she refers to herself . . . and publisher of a unique little publication called "Our Magazine". Mr. Swetland also helps and handles the current events section, a subject he thoroughly enjoys.

Rehearsals for Insanities Progressing Smoothly

Those Villagers and visitors who were delighted with the Minstrel Show number in last year's "Village Insanities," will be glad to know that many of the same members of that troupe are again rehearsing for a completely new version of black-face hilarity and harmony for the "Insanities" to be staged here in March.

Under direction of Broadway producer, James Wharton, rehearsals are progressing most satisfactorily. Melba Bennett, producer of "Insanities" since their inception ten years ago, reports that the burnt-cork boys have mastered several of the bright new numbers in their first two weeks of practice with Wharton. The tricky and melodious arrangements were made especially for the show by musical conductor and arranger, Rex Kouris of National Broadcasting company.

Among those now rehearsing are Kenny Paul, Harry Reid, Bob Beck, John Seamans, Gordon Hanson, Bill Milnor, Corky Hammond, Johnny Ryder, Larry Rappe, Seamus Nunan and George Skuse. And of all these melody makers, only two can actually read music.

Jim Wharton is greatly in need of two more bass and two second

Freedom Train

Valley Towns Seek Date for Showing

The Freedom Train will be in Riverside March 2, on its scheduled tour of the nation.

On March 1 the California itinerary shows no "showing" and both Indio and Coachella are attempting to get the train to stop in those towns on that day.

tenors, he says, so if anyone knows of such who sang in choirs at church or college, phone their names to Mrs. Bennett at Deep Well Ranch. Pointing out the enthusiasm for their work, Wharton told of several who drive up from Indio, Cathedral City and Desert Hot Springs for rehearsals.

DATES FOR FAIR—Pretty Betty Corum climbs a ladder to pick a basket of choice Coachella Valley dates for display at the coming Riverside County Fair and National Date Festival to be held at Indio, February 11-15, inclusive. Gorgeous displays of date and citrus fruits, along with other agricultural products will highlight the event. A horse show and Arabian Nights pageant will be two outstanding entertainment attractions.

Villagers Playing Big Part in Arabian Nights Pageant at Fair

The Arabian Nights Pageant which is to be shown nightly at the Riverside County Fair and Date Festival at Indio, starting next Wednesday and continuing to the 15th, will be of special interest to Palm Springs. Villagers are playing a large part in its production.

It will be a "first" in two respects—the first production of the colorful and joyous Arabian pageant and also the first production to be staged in the spectacular theater designed by Harry Oliver.

OTHER VILLAGERS having a hand in the pageant are Don Blanchard who is staging the spectacle, and Roy Randolph, supervising the entire affair.

Randolph, well known Village dance studio owner, is also producing the dances which go into the pageant. In this he is being assisted by members of his local

studio and many of his talented local pupils.

BLANCHARD has had a long and successful career as a director and actor from his student days at the University of California on. He is known from coast to coast in Little Theater movements.

Since the close of the war he has been a resident of the Village and an ardent desert "fan."

For the past three years he has been writing and co-ordinating his own material for a book on play-production.

Villagers' Day

Sunday, Feb. 15, Is Day At Indio Date Fair

In keeping with the plan to honor cities and territories throughout the county, Sunday, Feb. 15, has been officially designated as "Palm Springs and Cathedral City Day" at the Riverside County Fair and National Date Festival at Indio, Feb. 11-15, inclusive.

The Riverside county board of supervisors, sponsors of the fair and festival, extend a cordial welcome to residents of Palm Springs, Cathedral City and vicinity on this day, according to Bob Fullenwider, the fair's secretary-manager.

\$611,172 in Permits Issued During January

For the tenth straight month, building operations in January topped the half million dollar mark, giving 1948 a substantial start, according to report by P. M. Swart of the city building office.

January permits totalled \$611,172 represented in 32 permits, 20 of which were for new homes. During the month construction was started on forty new dwelling units in the Village.

JANUARY'S TOTAL was two and one half times the total for the same month in 1947 when permits valued at \$235,500 were issued.

During the first three months of 1947 building was slack but April, last year, saw the total shoot to above the half million mark and since then, not a month has seen less than \$500,000 worth of new building begun here and most of the months have topped the \$600,000 mark.

ACCORDING TO A TABLE of building permits in California cities, Palm Springs ranked 20th in southern California in total 1947 permits and was 26th in the state in building values. Permits in 1947 totalled \$6,661,654 here.

Last December, when total permits here were \$1,442,214, the Village was 8th in southern California and 12th in the state in building values.

It's the Man Who Has to Pay

Who says the woman pays? Out at Tramview Trailer park Wednesday the men paid. All because of an election the other day when Otto Greenwood was elected T.V.T. "Mayor."

Greenwood was the Woman's party candidate and he defeated the men's party choice. It had been stipulated that the losing party would stand treat and so Wednesday night, the men paid.

Snowbound

W. E. Griffith Longs For Village Sunshine

W. E. (Windy) Griffith, former Village businessman writing from Braintree, Mass. describes the wintry scene as seen from his hotel room, and longing for Palm Springs.

"Here I am in snowbound New England, and at this moment looking at 15 feet of snow out of the office window of my friend in the town of Braintree. I'll be mighty glad to see Palm Springs and exchange this scene for sunshine and warmth of the Village."

Female bumblebees live through the winter, but the males die when cold weather comes.

Rhythmic Music To be Highlight of Operetta Rio Rico

"Rio Rico," the high school operetta to be performed tonight at the Plaza Theater at eight o'clock, has many catchy and rhythmic tunes. The music is comparable to that of any of the New York shows. "We're Mutineers," as sung by the male chorus, is a gay march. Other songs that will be remembered are "Out of This World," and "Look at the Birds and Smile".

"Rio Rico" is a new operetta seldom before presented in California. The plot is in the present. The costumes are chiefly of "the new look" type. The pirates' gaudy outfits arrived from Los Angeles Monday. Colonial dresses will be worn by four dancers who will be twirling dainty parasols.

Aunt Julia (Betty Wright) will be decked out in leg-o-mutton sleeves of the '90s. The latter is using the same tactics and dress on Professor Molecule that she has used for 40 years.

The sets will be as gay as the costumes. Brilliant greens, dark browns, and bright yellows will make up the island scene, constructed by Andrew Lester's stagecraft class.

The curtain rises at 8 p. m. this evening. Seats are still available at the Plaza Theater box-office for \$1.00 and \$1.50.

On the Warpath

By MORT GILBERT

Well, the local five pulled a minor upset in winning over Elsinore last Friday night. The score read 38 to 33. Though only five points separated victory from defeat, the Indians led throughout the entire encounter. Weiss was high point man with 12 points, but his scoring was only secondary to the way he stopped the big scoring threat for Elsinore's center, Files. The week before, Files had made 26 points; last Friday he had all he could do to rack up 11. Lopez was a dead eye when it came to putting in the free throws, racking up five points from the free throw line plus one bucket for a total of seven points. Doro and Styres put in a couple of long ones that had the fans standing on end. Coach Ballagh expressed satisfaction over the triumph but was none too optimistic over our next game with Beaumont.

The victory put the Indians up to their next foe in line, Beaumont, who are undefeated in four league games.

LAST SATURDAY NIGHT the Indians took on Torrence in the Bay League and got beat by 14 points, but this is one of the finer

teams in the city, and indeed the competition was above any we will encounter in this league. They used a zone defense and they had pretty good control of the backboard but they also had a great deal of height on the locals. It seemed to me the hoopsters from the desert did a good job on Torrence though defeated, and with a tune-up game with the Arabs last Tuesday the locals will be in good shape for their encounter with the boys from Beaumont.

This article was written before the game was played so you who read this column will be able to see how close I came when I say the Indians will win this one by a hair.

THE MIGHTY SENIORS in volleyball have practically engraved their names on the gold cup for the championship of volleyball. They beat the highly touted Juniors eleven to six and now only the Frosh and the decrepit old Faculty stand in the way of a perfect record for the first round of the round robin in this sport.

On to the CHAMPIONSHIP, SENIORS.

P. S. The seniors beat the faculty last Tuesday by the convincing score of 15-6.

Wayward Youth Is Subject for Radio Program

Friday, January 30 at 1:45 p. m., a radio round-table discussion was broadcast by the Palm Springs High School students over KCMJ. The subject discussed was, "Wayward Youth". The students who participated were: Ann Welles, Dorothy Smith, Conrad Nelson, and Charles Tourier.

The discussion was under the direction of Mr. Schwendiman, speech and radio teacher.

Radio Program Boosts Operetta At Plaza Tonight

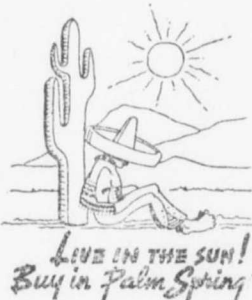

For the purpose of operetta publicity some of the cast of "Rio Rico" gave a broadcast over KCMJ Tuesday, at 1:45 p. m. It was based on musical numbers and the story of the operetta. The program was narrated by Mary Jean McCabe and Donna Sorum. The announcer was Eddie Weiss.

Classes Meet and Discuss Plans for Remaining Weeks

In their class meeting Monday, February 2, the Seniors learned about the many activities that they have in store for them in the next few months. Announcements have been ordered this week for graduation in May. The annual ditch day has been set for Tuesday, February 24, and plans for the class gift and play are being made, among other things.

The ditch day will be on the 24th even if there is no snow at Big Bear. Other plans are being made in case this happens.

The gift committee is looking into several possibilities, a half hour tape recorder, a class room intercommunication system, and other suggestions.

Plans for the Senior play will get underway as soon as the operetta is over.

THE JUNIOR CLASS is working hard on plans for the Prom. Mr. Remy, Barbara Jones, Nancy Nye and Jim Wills made up a committee that looked into the possible use of the Legion Hall for the affair. Other places around town are also being considered.

The Junior Sweater Dance is to be held February 11. This is the day before the Lincoln Birthday holiday. They are also planning for a dance March 5.

THE SOPHOMORE CLASS is working on their assembly, which is to be presented in about ten days. Norman Rasmussen is head of the committee for the program. The class is also endeavoring to get a date for a dance this month.

THE FRESHMAN CLASS is still young, but they are looking into the future by forming a committee for their assembly which is a month off. Bill Hotchkins, Doreen Elbert, Mary Frost, and Mary Penderly are working on ideas now.

It Was a Nice Buggy Ride

By BUCKY

It all started with those two boys who asked everyone to buy a ticket on the bus going to the Elsinore basketball game. That's the trouble—everyone did.

Friday night when "Pop" Bell pulled up in front of the school to pick up the first group of students, who met there, a nice-sized bunch calmly entered the bus, sat down and started talking. Just before leaving the 'ole alma mater a couple more—angels came yelling after us to wait for them.

WE FINALLY settled down to what we thought would be a nice pleasant trip. We were to pick up a few more on the way through town, so a few said they would save their best friends the other half of their seats. We rode on down Ramon Road to Indian, and the doors were opened to admit the others waiting there. Have you ever tried to save a seat for someone with a herd of buffalo swarming on you? After this group got on, all of us who had comfortably ridden so far were almost pushed out of the windows, after a few other stops, if you can imagine 66 students crowded on a bus with 22 seats you'll know what I mean. We all were supposed to sit down, too.

After the roll and tickets were

taken and we were asked to save our voices to yell at the game, a combination of school songs, school yells, operetta songs, and popular songs was thrown into full swing. It continued until we got to the opponents' gym. We all carried ourselves out of the "golden chariot", hoping we had our own hands and feet.

CHEERING OUR TEAM on to victory, after the long ride, wore us completely out. When we filed back on the "hot-rod" each found the coziest corner he or she could find to curl up in for a nice snooze. Whether it was on someone's shoulder or in their part of the seat made no difference; we were tired. Hardly a peep was heard out of anyone. See, we CAN be quiet.

A few miles out of town we began waking up and got up enough strength to climb off the "meat wagon" at our respective corners. I think all who went agree it was worth the discomfort and trouble to go, and that it should happen more often.

78 Students Make Honor Roll Lists During Semester

"Seventy-eight students out of 324 at Palm Springs High School have a 'B' average or better for the first semester of 1947-1948, according to office records," said Mrs. Phyllis Kiley, secretary, today.

The Honor Roll list is as follows:

Robert Armeson
Lorna Beaton, Audrey Bentsen, Charles Bond, Fern Brown, Joyce Buck, Billie Bullard
Virginia Coons, Sandra Cordrey, Jeremy Crocker, Corinne Crossley, Neal Crump
Richard Day, Barry De Vorzon, Nancy Ehler, Marilyn Ellisworth

Episcopal Churches Lenten Services Start Wednesday

Rev. Robert M. Hogarth, rector, will preach Sunday morning in the Episcopal Church of St. Paul in the Desert on "Man's Divine Heartache for the Abundant Life of God."

"That is a more meaningful translation of St. Paul's words in the Greek: 'For the earnest expectation of the creature waiteth for the manifestation of the sons of God,'" the rector said.

Ash Wednesday comes this week, February 11, opening the long season of Lent, in preparation for the proper observance of the Day of Resurrection. The only weekday service in this first short week will be on Ash Wednesday at 10:00 a.m.: Holy Communion and sermon on "Keeping Lent Today."

During the full five weeks of Lent up to Palm Sunday, regular weekday devotions will be held twice each week: Thursday at 10:00 a.m. Holy Communion and brief meditation; Thursday from 7 to 8 p.m. five weekly Home Meetings with Litany and address by the rector.

Confirmation classes this week are scheduled for Tuesday at 7:30 p.m. for adults and Wednesday at 4:00 p.m. for the juniors.

Presbyterians Lead in Annual Church Census

Presbyterians topped the list of 19 different church groups represented at Community church last Sunday when the annual census by denominations was taken.

Of the 460 present, 122 gave their church affiliation as Presbyterian. Second on the list 93 who gave the Community church of Palm Springs as their home. Methodists were third with 78 and Baptists fourth with 24.

The remainder was divided among 15 different denominations.

The Sunday before the geographical census was taken at the church and of those attending. California topped the list.

We are hoping to succeed where previously we have failed. Despair is a mortal sin.—Georges Bidault, French Foreign Minister.

Christian Science Lesson Text "Spirit"

"Ye are not in the flesh, but in the Spirit, if so be that the Spirit of God dwell in you." This declaration of Paul to the Romans will be the Golden Text of the Sunday Lesson-Sermon on "Spirit" in all branches of The Mother Church, The First Church of Christ, Scientists, in Boston.

In a Scriptural citation Matthew relates that there "was brought unto" Jesus "one possessed with a devil, blind, and dumb; and he healed him, insomuch that the blind and dumb both spake and saw. . . . But when the Pharisees heard it, they said, This fellow doth not cast out devils, but by Beelzebub the prince of the devils. And Jesus knew their thoughts, and said unto them, . . . If Satan cast out Satan, he is divided against himself: how shall then his kingdom stand? . . . But if I cast out devils by the spirit of God, then the kingdom of God is come unto you."

Mary Baker Eddy writes in "Science and Health with Key to the Scriptures": "Jesus established in the Christian era the precedent for all Christianity, theology, and healing. Christians are under as direct orders now, as they were then, to be Christlike, to possess the Christ-spirit, to follow the Christ-example, and to heal the sick as well as the sinning."

'God Is Able' To Be Topic Sunday at Community Church

The Rev. James H. Blackstone Jr., pastor, will preach Sunday morning at the 11 o'clock service on the topic: "Our God Is Able."

"In these days when everywhere throughout the world there is distress, it is a comfort to man to know that God is still upon His throne and that He is able to carry out His great purposes and plans," said the pastor. "In spite of man's failure and of man's wilful disobedience to the laws of holy and righteous living, God is able to uphold His administration and work all things according to the purpose which He had formed eternally. Man's extremity is God's opportunity and even if as H. G. Wells says 'the world is at the end of its tether,' we have nothing to fear if our life is in accordance with God's plan and if we know Him as our Heavenly Father."

There will be special music by the choir.

SUNDAY SCHOOL classes open at 9:45 a.m. with those of primary and beginner's age meeting in their own department in the social room and the others in the Sanctuary for opening worship after which they will go to their respective departments.

The Christian Endeavor meetings are held at 6:15 o'clock. Mr. J. G. Kennedy of Seattle, Washington, will bring a message to the Senior High society, which meets in the Manse parlor. The Junior High group will meet with Mr. and Mrs. Stanley Pfischner in the social room.

AT THE EVENING worship there will be a song service, followed by the showing of an important religious film entitled "Beyond Our Own." The setting of the film is China and it is designed not only to give a concept of the world outreach of the Christian church but also to awaken in each individual a new sense of his own personal Christian mission.

Some countries still look on America as the land of such bounty and such plenty that all they have to do is sit down and profit from our generosity.—Sen. Carl A. Hatch (D), New Mexico.

Woman's Circle Meets Tuesday at Williams Home

Women's Circle of Community church will hold their meeting at the home of Mrs. John Williams, 610 via Monte Vista, at 2:30 Tuesday afternoon.

The speaker will be Miss Joy Ridderhoff, founder and director of the Gospels Recording Inc.—which for nine years has been making and distributing records in native languages in many parts of the mission fields. Before going into this work she was a missionary in Honduras under the Central American mission. She has just returned from a trip of some months to Alaska where they have been recording. Over 100 languages have been recorded.

All members are urged to attend the meeting and bring a friend. Mrs. John Williams, Mrs. Faye Robinson, Katherine Gentry and Mrs. C. W. Gottbeuhel will serve as hostesses.

Adversity is the trial of principle. Without it a man hardly knows whether he is honest or not.—Fielding.

HOUSEHOLD HINT

IF YOU'VE FORGOTTEN to get some shampoo and simply must wash your hair, borrow some of your husband's shaving lather. It works fine.

RECIPE

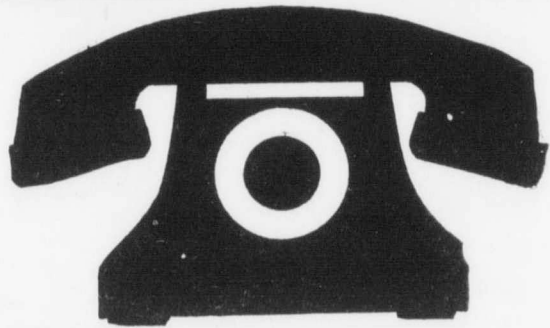

SALMON LOAF

2 c. canned salmon
 1/4 c. evaporated milk
 1 egg
 1 c. soft bread crumbs
 1 tsp. salt
 1/4 tsp. pepper
 3 tsp. lemon juice
 1 tsp. Worcestershire sauce
 1 Tbsp. melted shortening
 2 Tbsp. chopped celery
 2 Tbsp. chopped onion
 1 Tbsp. chopped green pepper

Beat all ingredients together, mix well with flaked fish. Place in greased loaf pan and bake in moderate oven 35 mins. in a pan of water. Serve with tomato sauce.

THE INSTRUMENT

THAT TIES THE WORLD TOGETHER

ANYONE in the United States who has a telephone in the house is in direct contact with practically every civilized spot in the world. His telephone is tied in with more than 55,000,000 other instruments scattered throughout the globe, and the number is growing fast.

In the United States more new telephones were installed last year than in any twelve months in the history of the industry—and still the demand for more and more telephones is greater than ever.

Your telephone company is bending every effort to bring service to all who desire it as quickly as possible.

CONSTRUCTION DOLLARS...

In 1947 we spent over a million dollars for additions to our plant to meet the public demand for more and better service. In 1948 we will spend another million.

This money does not come from telephone bills but from investors who require a fair return. This means that telephone rates must be sufficient to provide earnings that will attract these new construction dollars.

Four Local Troops To Get Charters at Meeting Tuesday

Highlight of the Village's observance of Boy Scout Week, Feb. 6 to 12 will be the chartering of four local troops, a court of honor with the awarding of merit badges, a program of entertainment and dinner at the Wars Memorial building the evening of February 10.

The program for the evening will get underway at 7 p.m. with a 15 minute skit to be broadcast over radio station KCMJ.

HAROLD LIENAU, chairman in charge of the Palm Springs area urges all who plan to attend to be on hand at 6:45 p.m. Bill Kenney, field regional representative, Riverside, will deliver a short speech to be followed by dinner. After the meal a scintillating program of entertainment will go on, with entertainers from the various night spots doing their bits.

IT WAS ALSO announced by Lienau that during the evening four organizations in this area will receive charters for the troops they sponsor. They are the Community Church troop, Cathedral City Lions club's troop, Palm Springs Rotary club's troop 39 and the American Legion's troop 44.

The court of honor will see local Scouts awarded merit badges and win promotions.

The event is open to the public and reservations are asked.

Legion To Honor Village Fathers Of War Heroes

Village Gold Star fathers are to be honored by members of the Owen Coffman Post of the American Legion.

In regular meeting Tuesday night at the Wars Memorial building, members voted unanimously to extend honorary membership to Village fathers who lost a son or daughter in both world wars.

The honorary card carries with it the privilege of using the lounge and other facilities of the Legion building.

Commander John Connell, who brought the recommendation from the executive council of the Legion pointed out that these fathers like the gold star mothers, gave their loved ones to this country. Also Connell said, the honorary card will be issued to those fathers who are not eligible themselves for membership in the American Legion as regular members who saw service in either World War I or II.

Third Department Of Superior Court Is Recommended

Establishment of a third department in the county superior court was recommended by the grand jury in its final report last week filed in Judge O. K. Morton's court.

The grand jury's recommendation requests Senator Nelson Dilworth and Assemblyman Philip L. Boyd to start the necessary legislation looking to this end.

THE GRAND JURY'S report notes that although the population of the county has doubled since the superior court was first established, the departments number the same.

The jury also recommended county building and land use codes for unincorporated areas, a suggestion long-backed by desert area residents.

Earl Coffman of Palm Springs was a member of the 1947 grand jury which completed its work last week.

IT HAS BEEN advocated in Palm Springs and other desert areas that if a third department of the superior court is established sessions be held in the desert area at stated intervals to bring the court to the trial instead of transporting witnesses and jurors the long distance to Riverside.

It is estimated the average person has two colds a year.

Eagle Scouts To Rally in Village On March 1st

Approximately 200 Riverside county Eagle Scouts and friends are expected to jam the auditorium of the Wars Memorial building March 1.

The highest ranking members of the American Boy Scout organization will be the guests of honor.

A sparkling program of entertainment is now being arranged, according to Paul Briskin, Riverside, program chairman. The event is being sponsored by the commissioner staff of Riverside county council.

One of the speakers will be Calvin McCray, region 12, deputy regional executive. Efforts are being made to secure a showing of the film of the 1947 world-wide Scout Jamboree held in France as well as the attendance of several motion picture actors.

All Eagle Scouts in this area are being urged to make their reservations, said Harold Lienau, chairman of the Palm Springs area.

We Are Pleased to Announce

The California Electric Power Company and the Interstate Telegraph Company are happy to announce that agreement has been reached on the items that were in dispute in their labor negotiations. Mr. Adolph Hoch and Mr. John Pfau, Federal Conciliators, assisted the parties in reaching an agreement with the local Union B-18, I.B.E.W. Mr. G. A. Bowers of the State Conciliation Service was an observer.

The three major differences—that of wage scale, unionization of supervisory employees, and continuation of the Union shop, were settled as follows:

The wage increase for the period of December 1, 1947, to March 1, 1948, was approximately the same as that recently agreed upon by the Pacific Gas & Electric Company, namely, 5c per hour, and the Company also granted an additional \$10.30 per person per month from March 1, 1948, to December 1, 1948.

The law permits exclusion of supervisory employees from Union representation, and under the terms reached in negotiation the Company employees who hold positions of Supervisors and Foremen will now have the privilege of voting upon the question of representation.

Also, the Company took the position that, under the law, the employees involved were entitled to vote as to whether or not they were in favor of continuation of a Union shop.

These conditions were agreed upon and the strike that was set for 11 A. M. February 3rd was definitely called off.

Horse Tales

By RYDER

JES' CHATTER:

Esther McGee had a square dance at Wonder Palms Wednesday evening. It was the first dance since the ranch has been open and as soon as arrangements can be made, there will be many more. Speaking of dances, if you missed the dance the Los Compadres gave at the Legion hall the other night you really missed a dandy. Everyone was there and a grand time was had by all. An event calling for early reservations is the Saturday breakfast ride. All the stables in town send horses and wagons so, call your favorite stable and go along for a good cowboy breakfast, entertainment and riding. When you see Al Burki again, ask him to give you the gory details of his swim in the Doll House pool one evening. Yes, there is a pool up there which many folks do not know about but Al sure found it. L. V. Britt is back at the Desert Inn and has rented a horse by the month from Ed Sargent. Whitey Keefer, one of the fellows at Ed's place is sure getting to know the country around here. He took a few riders to the breakfast ride a few weeks ago but went by way of Philadelphia and the next week he took the same girls to Thunderbird (via New York) and arrived much later than planned. Mrs. W. W. (Elsie) Walker of Pittsburgh and Sarasota was in town visiting Evelyn Burki and attended the breakfast ride with the Burki family and Mrs. Bonnie Conwell of L. A. Evelyn Mock had Sue Gray here as a house guest and took her to some of the rides during the two week visit. Sue sure hated to return to college but, education comes before vacation.

Dean Thomas won the stake race at La Quinta and so kept the honors flowing into Smoke Tree Stables. Every event this season has had a Smoke Tree Rider (not Ryder) in the winning place. Horse Tales did not appear in the paper two weeks ago due to too much Mayor (Hope) rather than too much mare. Cliff Campbell and Joe Butler have started a calf roping club and the details can be obtained from either party. Cliff at his stable or Joe at the Safeway, if you can locate either of these fellows. If you do, let me know, I can never find either of them when I want some dope. Wall Spalding is still doing everything possible to encourage western activities in the Village. He had his daughter Judy and Deborah Gordon modeling Western Duds for Dudes and Cow Pokes too, at the breakfast ride and showed the folks some of the more practical types of attire to wear while visiting on the desert. Mary Nelson has one of her horses at Boyer's old place and goes out for a ride every day, taking her Great Dane along with

her. Mary, the horse and dog all get exercise at one time this way. Little Bear and Coin Ricketts have been taking the Cub Scouts out for a ride every Sunday morning and then return to the Rancho stables for a bite to eat. Araby stable now has nine more horses in the string so that the many riders can be accommodated more readily. Mr. and Mrs. William Dana are staying at Thunderbird and ride every day. Bill and I had a big ole discussion about dogs. He is breeding Irish Wolfhounds—and I thought Hamlet was a big dog. Bill and Virginia Dildine were visiting Wonder Palms for the second time this season. Bill is Prexy of the MJB Coffee outfit and comes to the desert as often as he can to get some rest and riding.

EARL HENDERSON (the Earl of Portland) is sure getting around. No matter where you go, with a car, walking and especially by horse, there is the good Earl, what a guy. Grover Inskeep, the fellow who publishes the city directory is one of the regular riders at La Cita. Roy Tillas, president of the Gotham hosiery company is at Thunderbird and has been giving some of Jerry's horses a try while Johnny and Emma Moss have brought their own horses with them this time and ride the trails daily. Tex Kidwell is back at the Palm Springs Plaza again this year. The shopkeepers down there have had him around for ten years (off and on) to sing western songs for the shoppers. Drop down between 11 and 2 to get acquainted and have Tex sing your favorite song for you.

Clyde Elliott is only 18 years old but he rode at 7 year old Palomino stallion from Joplin, Mo., to L. A. He stopped in at the La Cita stables a week ago but could not remain in the Village for the Rodeo and Circus Week because he wanted to get into the city to visit some relatives. The only thing he had trouble with on the trip, was locating stables for the horse.

Looks like the good ole days of a livery in every town is gone. Perhaps the automobile is here to stay. Mrs. E. O. Templeton is a guest at the Desert Inn and was leaving the stable for the breakfast ride last week when, "flying lessons" were in order. I asked her if that is the way everyone does things in Mundelun, Ill., and she said no. Husband Edmund concurred while Teddy, age 4, had nothing to add. Among the youngsters at the ride was Joe, just Joe, age 2½—who made a radio debut on the spur of the moment and won the admiration of the entire assemblage. Louise Grace, Vi and Susie Gillespie and a gang of other Bit and Spur club members did not ride Sunday morning. They had

the group together in the afternoon because Mrs. Engram and Marj Hyde had gone to Twenty-nine Palms Saturday night to help Gene Dorsey open his new riding stable in that community. The gals stayed over night and got Gene off to a flying start Sunday morning and then returned to the Village in time for the afternoon ride.

Billy and Judy Talbot have been riding every day and they take the Springer Spaniel with them wherever they go while father William and mother Hilda stay home to look for the contractor. Win W. Madison, one of the owners of the Palm Springs Pueblo was busy herding a group of 14 folks around at the breakfast ride. It seems Jerry and Jen Weber were busy and could not get away to lend a helping hand but the two folks did manage to get out for a short ride a few days later.

Curly Avery hails from Paris, Texas, and is the wrangler at B bar H guest ranch. Curly has been busy with Hoot and Prairie Rose Katz; Buck and Blaze Grinsfeld; Buckshot Kasler and Grinsfeld; Buckshot Kasler and few. There will be a Gymkhana over there very soon so watch for the date and let's go over and give them a hand.

Mr. and Mrs. Margolius, owners of the Ambassador hotel, have had a Victoria shipped out here from Lawrence, Indiana, and will soon be seen dashing all around this section in the mode of transportation so popular in the early 1900's.

Men must be decided on what they will not do, and then they are able to act with vigor in what they ought to do.—Mencius.

A determinate purpose in life and a steady adherence to it through all disadvantages, are indispensable conditions of success.—W. M. Pumphron.

The strongest principle of growth lies in human choice.—George Eliot.

NO GEARS EVER SHIFT IN DYNAFLOW DRIVE*

In Buick's new Dynaflo Drive, sliding gear transmissions and complex gear-changers are made unnecessary. You simply set a selector lever and step on the gas. The power plant does the rest, adjusting itself to varying driving conditions with utter smoothness. You start up—accelerate—climb hills—cruise—stop—the selector lever.

*Optional at extra cost on Roadmaster models

Buick takes the bows—with ten sparkling models, a new Vibra-Shielded ride, sensational Dynaflo Drive, 30-odd new advances

The curtain's up—the show is on—and square in the spotlight of public favor is this fashion-plate Buick.

This bonnie, brawny beauty is taking bows for the eye-appeal of its ten stunningly-smart models.

Catching bouquets on the utter brilliance of Hi-Poised Fireball power...

Getting applause for Safety-Ride rims, pillow-soft tires, all-coil springing—for bodies newly sheltered against disturbing noise—

for no less than 30 new features. And it's winning curtain calls on two major advances no other car offers.

One is the fabulous new Dynaflo Drive* where there is no gearshifting, even automatically. You just step on the gas—and motoring close to magic is yours.

Other star feature is the Vibra-Shielded ride. Here for the first time you're shielded against vibration

build-up that brings on fatigue. Here no tiny tremors can harmonize into big ones. Here is living-room comfort and quiet.

Your Buick dealer is showing this fashion plate that's touched with magic. See it. Check it for spaciousness, for solid-feeling steadiness, for superlative finish, fittings and fabrics.

Then—to get one into your garage at the earliest possible date—get your order in now.

What Goes on in Palm Valley

By DON CAMERON

Desert Airpark has had the "No Vacancy" sign out for some time. Assisting Manager Lorene Sherwood in the office is Betsy Browning, a city gal hailing from Hollywood. Among the guests the Dick Jamesons from Fairbanks, Alaska, the Arthur Zangerles of Chicago and Ricardo Montalban, star of the recent motion picture "Fiesta". The reason Ricardo is here, is that his wife, Georgiana, sister of Loretta Young and a Harper's model, are here on business. Harper's are making fashion shots for their May issue and included in their group staying at Desert Airpark, is Miss Patricia Cornwell of Harper's Bazaar staff. Mrs. Louise Dahl Wolfe, photographer, her assistant Al Linn and another model, Virginia. You Palm Springs wolves should drive out this way once in a while.

EFFECTIVE THIS WEEK. Ray Cook of Palm Village is the new Los Angeles Times distributor out here, replacing John Rater, the Army Date man of Cathedral City. Ray will have the Times delivered to you before breakfast if you live in Rancho Mirage, Palm Springs or Palm Desert. He said, "he might take in the Del Sol area in the near future". To start the paper deliv-

ery, drop him a line at Box 20, Palm Desert or phone my office, Palm Springs 1091. This lad, Ray, is an old friend of mine from the days we both worked for P. K. Wrigley's Santa Catalina Island Company in Avalon, my second choice of towns to Palm Springs. Mary Ellsworth, Colonel Bob's wife, and president of the Legion Auxiliary, tells me that the Carnival Dance they are sponsoring Saturday night, is going to be the business. In addition to a good dance band, Holly Visel's special entertainment is to be held at the intermission.

FOR A BIRTHDAY PRESENT last Wednesday, Ted Hutchinson of the Desert Nursery in Rancho Mirage, gave me six Desert Holly to plant around a ten year old smoke tree in front of my office. Since no one in these parts exceeds Ted in knowledge of desert flowers, his plant notes for February may be of interest to many of us. Observe the Encelia is beginning to flower along Highway 111 near Cathedral City. A rounded grey bush with yellow, daisy-like flowers. Near the Old Dunes between Cathedral City and Ramon road is a rosy purple Locoweed in flower. On the fans of Chino, Tahquitz and Dead Indian canyons, the Chuparosa is covered with its attractive, red blooms enticing to hummingbirds. This should also be in flower around Cactus City and Shaver's Summit on Highways 60 and 70. Associated with Chuparosa, you should begin to notice the Apricot and Rose Malows coming into bloom. Over on the Julian-Kane Springs road the Ocotillos should be sprouting their red spikes. Wing Scale is past its prime here in the valley, but Desert Holly flowers are at their best. Desert Lavender is bearing a heavy blossom now and is found in all of our canyons and canyon flats. Newly planted date groves are excellent spots to see the Sand Verbena in full flower, which is a rambling, purple colored small flower.

If we were faultless we should not be so much annoyed by the defects of those with whom we associate.—Fenelon.

Biltmore to Open
Doors on Tuesday**

Palm Springs' newest and one of its most attractive resort hotels, the Biltmore, will receive its first guests next Tuesday, February 10. Built at a cost of \$1,500,000, the fashionable inn boasts of being "the world's finest desert hotel."

The various units which comprise the multiple-building plan of the Palm Springs Biltmore provides suites of one, two and three rooms. Each unit features a fireplace and private sun porch, while sunken baths are among the innovations obtainable.

Sweeping the full length of the administration building, including the dining room, is a sloped glass wall, offering a full view of the swimming pool and hotel grounds. The hotel was selected because of its excellent view of both mountain and desert.

Frederick Monhoff, architect, and the H. L. Gogerty organization with J. Cy Berry, associate architect, participated in designing the Biltmore. Landscaping is by Ralph D. Cornell.

But, by all thy nature's weakness,
Hidden faults and follies known,
Be thou, in rebuking evil,
Conscious of thine own.
—Whittier.

What an absurd thing it is to pass over all the valuable parts of a man, and fix our attention on his infirmities.—Addison.

**New Booklet by
Bank of America
Aids Retailers**

Listing scores of do's and don'ts for the successful operation of a small apparel store, another Digest by the Small Business Advisory Service of Bank of America was made available today to both prospective and established retailers. Entitled "The Women's Ready-to-Wear Business," it is the bank's third postwar information digest for California small business, said Fred Ingram, local branch manager.

The digest is an expert condensation of information gained from a wide variety of authentic sources. Commenting, executive vice president E. A. Mattison pointed out that the average small

business man does not have ready access to many of the facts, figures and experience available to larger retail organizations. "We have endeavored to make up for this lack by summarizing the essentials of modern retail merchandising. Although prepared primarily for those contemplating a new venture, the digest is of value also to those already established, and even to those who are called upon to give advice on retail problems," Mattison said.

Man must be disappointed with the lesser things of life before he can comprehend the full value of the greater.—Bulwer-Lytton.

Real joy comes not from ease or riches or from the praise of men, but from doing something worth while.—Sir Wilfred Grenfell.
